Non Verbal Intelligence Test [nVIT - 1A]

November 3, 2011 Posted by Administrator under Non-Verbal Intelligence Test 30 Comments

Here is our first Non Verbal Intelligence Test for the preparation of initials as well as for ISSB Test. This time we decreased our questions limit to 20 only. Hope this time we will be getting better results as percentage to pass this test is set to 70 and the max questions limit has been decreased too to make sure your interest remains. We are always open open for your suggestions and wait for you feedback. Use our comments system or facebook fan page to report any issue or for your kind responses.
